

# 7 P'S OF POSITIVE PARENTING

Implement the 7 P's today and see big changes in your kids by bedtime *tonight!*

## PREDICTABILITY

When you are predictable your kids will relax more and more consistently meet your expectations.

## PROVIDE CONSTRUCTIVE FEEDBACK

Use the secret "Constructive Feedback Formula™" to let your kids know how they are doing, and where to improve.

## PRAISE

Praise is a powerful motivator! Catch your kids doing something and tell them how wonderful they are!

## POSSIBLE REWARD

"Sometimes" reward is so much more powerful than "every time" reward. This is why gambling has such appeal.

## PATTERNS

Create patterns in your family's day, week, etc. Your kids will excel when you implement structure and routine.

## PRACTICE

Repetition brings mastery, mastery brings pride and self-confidence. Support your as they practice life skills.

## PACE

Intentionally set the speed of your family's life, and be sure there is time for what matters most.
